The one hour shoot consists of:

- *The whole family as a group.
- *A combination of different compositions of the family with approximately 35 of the best images presented
- *All framed enlargements are edited and softened, unwanted marks and wrinkles on the skin are removed.

Please Note:

- *Dress code is of utmost importance. The presentation should preferably be plain pastel colours, avoid stripes and spotted clothing.
- *In the case of a person wearing glasses, the glasses should be removed. If it is not possible, then use an old frame without glasses.
- *Make-up: Your face must be fresh. This means that your face must not shine.
- *In the case of small children, prepare them beforehand. Try to get the child excited for the event.
- *Be punctual for your appointment, because we are on a tight working schedule.
- *Cancellations should be done within 24 hours of your appointment. If not, a sitting fee of R400 is payable, as this time was scheduled just for you.

- *Balance to be paid on the day of the shoot.
- *Framed enlargements in canvas and royal finish.
- *All enlargements are edited and softened.
